### Alliance Board Meeting Postponed until October

In the wake of the horrific tragedies that occurred in New York and Washington on September 11, the HACCP Alliance Board of Directors' meeting has been postponed until October 30. The board meeting was scheduled for September 26, 2001, in Reston, Virginia, however, air travel has been suspended at the Ronald Reagan National Airport, and airlines are operating limited flights from Washington Dulles International Airport. Thus, air travel into the Washington area is limited, at best.

Due to current travel difficulties, the HACCP Alliance Board of Directors' meeting has been rescheduled for Tuesday, October 30 at the headquarters of the North American Meat Processors (NAMP), 1910 Association Drive in Reston, Virginia. Hotel rooms have been blocked at the Sheraton Reston Hotel, 11810 Sunrise Valley Drive, Reston, Virginia, which is located approximately one mile from the NAMP headquarters. To make a hotel reservation, call 703-620-9000 and ask for the "HACCP Alliance" block and the group rate is \$159.00

Our thoughts and prayers go out to all those affected by the immense tragedies on September 11 and all of the dedicated firefighters, relief workers, police, and government officials who are risking their lives to rescue, recover, and protect.
